

The data is in....

I'm a distracted driver. :(

Moved to Nashville.
So Much Driving.
All the time.
omg.

sigh...

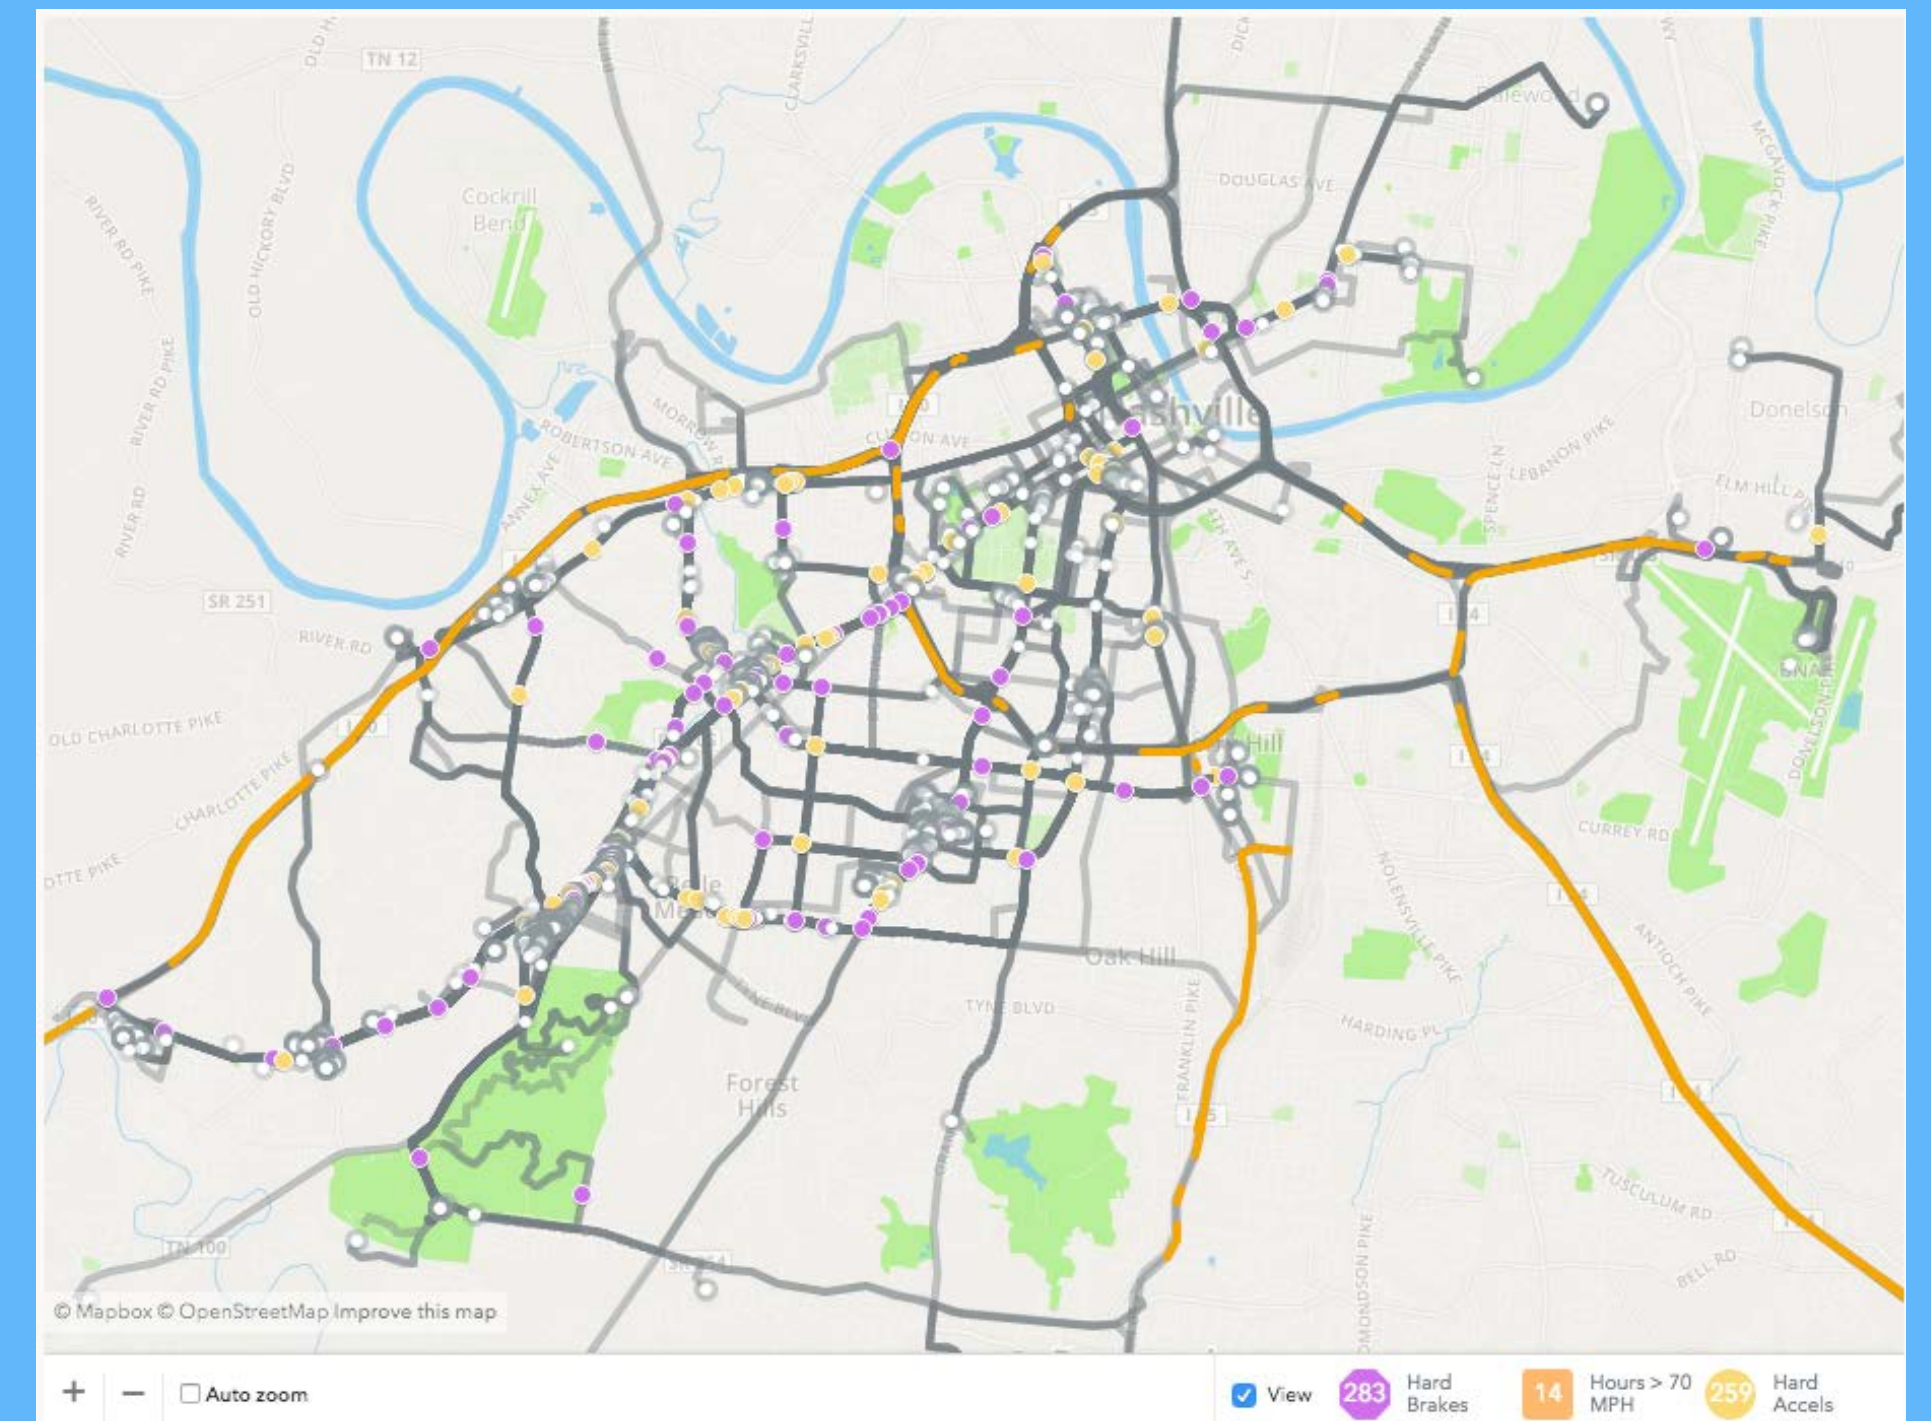

This much driving deserves some tracking...

AUTOMATIC

Track time in car
Track mileage

Turns out... Yes, I drive a
LOT now. :(

400 hours driving so far in 2015.
100 minutes per day on average.

@robby1066

Wow. At the bus stop and just watched 10 cars drive by. In 7 of them, the driver was looking at their phone instead of the road.

8:34 AM - 19 Mar 2014

📍 Nashville, TN

I'm not like these jerks, right?

2880%

No, wait. that's not right.
That CAN'T be right. Right?

I NEED FOR THAT NOT TO BE
RIGHT.

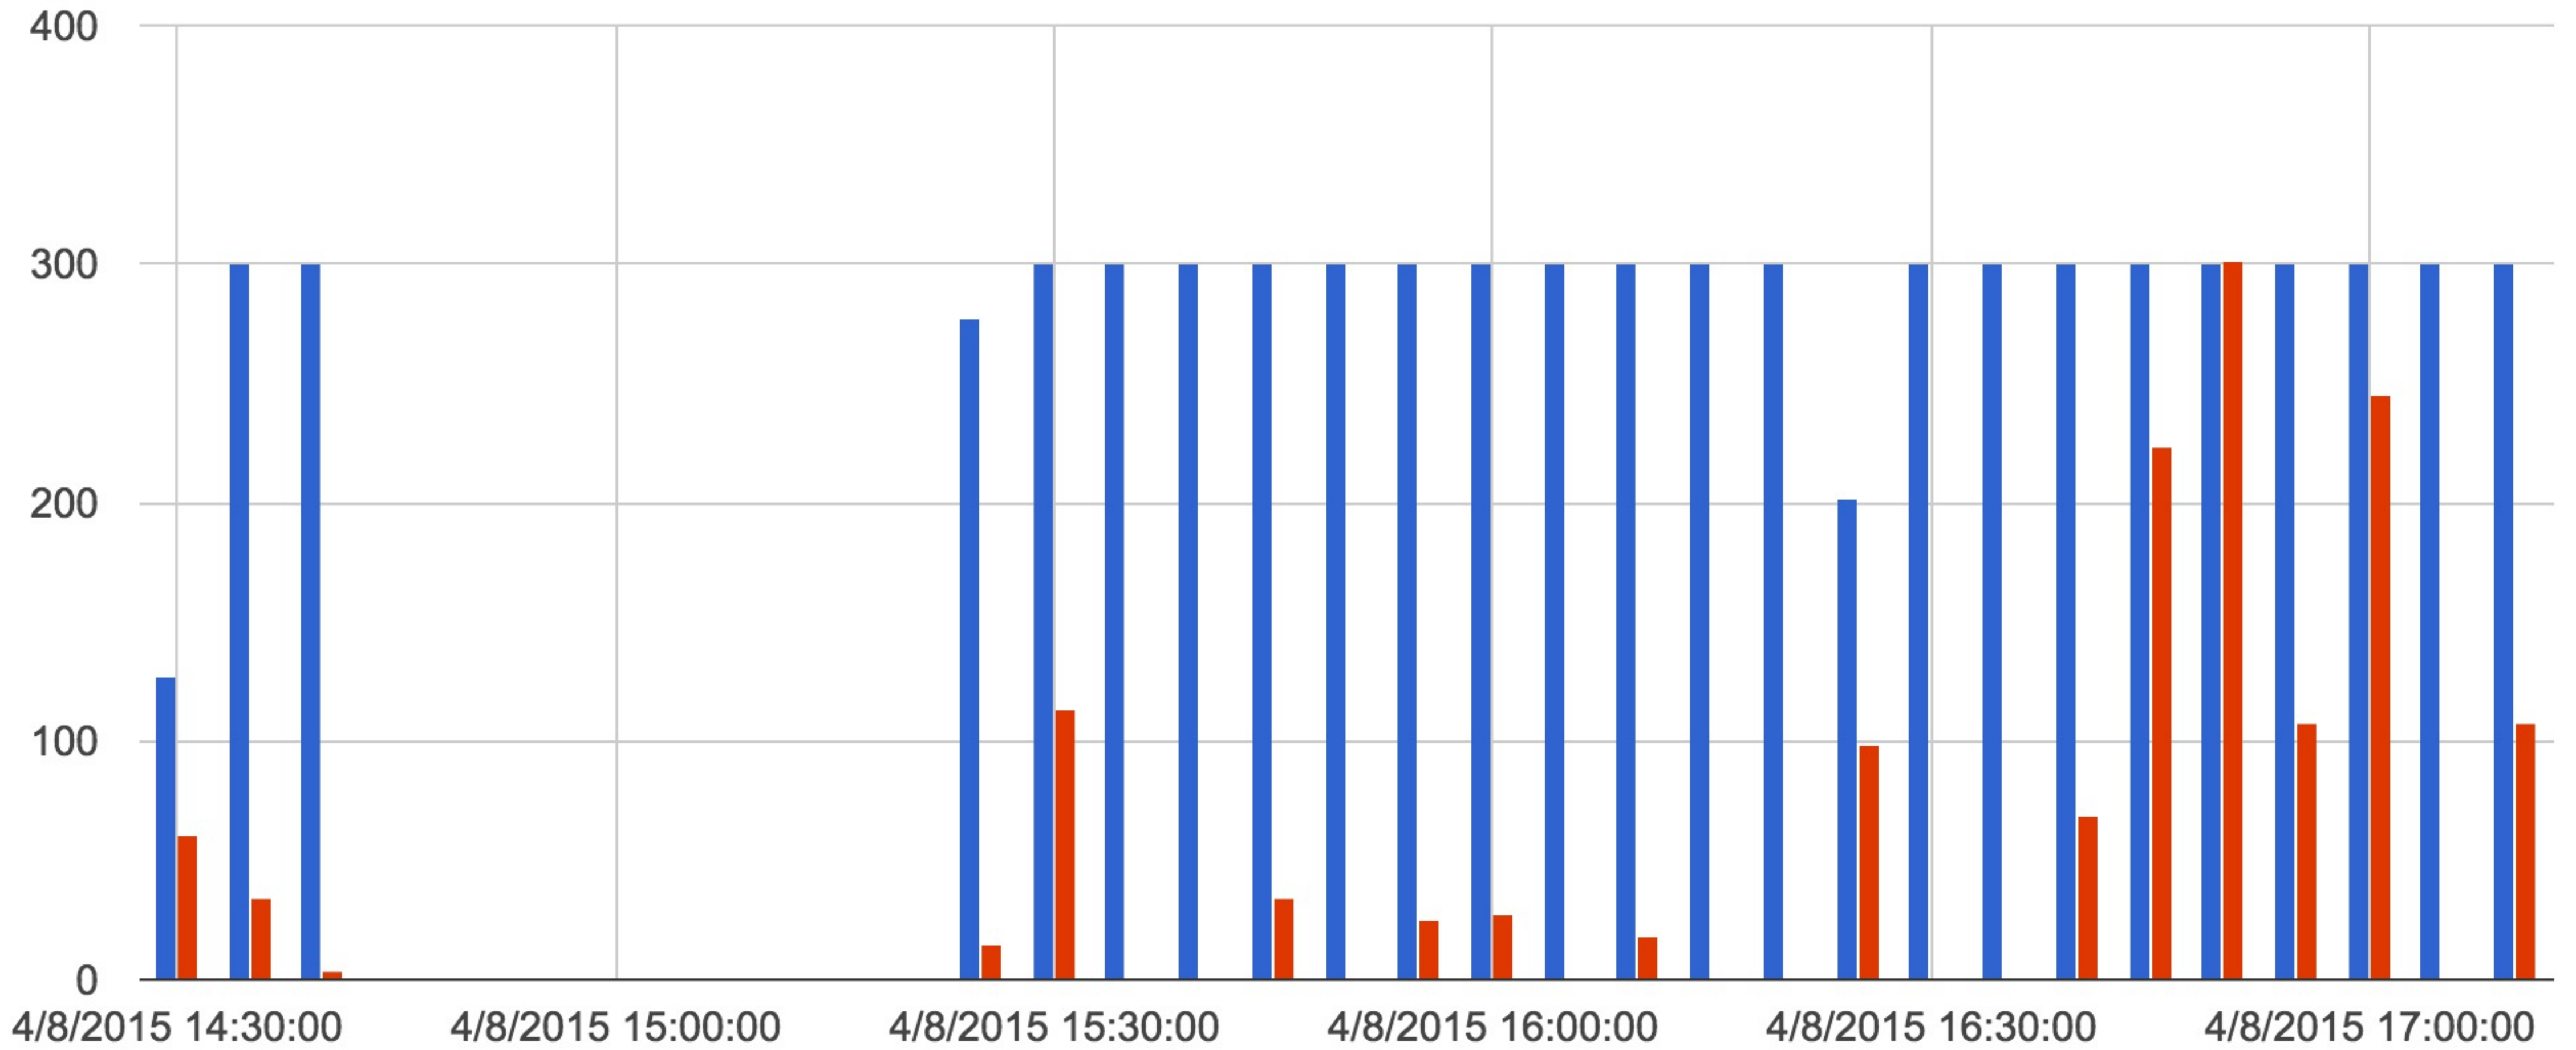

~~28%~~

whew!

230%

DAMMIT!

Time spent driving vs Time on phone

Navigation

Phone calls

Stop lights.

Notifications.

?!?!

???

So now what?

Turn down the notifications

Just stop driving as
much
